

# National Trauma Survivors Day (NTSD)

Spend an evening celebrating Trauma Survivors at Reading Hospital.

- Free movie screening
- Snacks
- Panel discussion

## Reading Hospital Trauma Department

is hosting a free screening of the movie *Full Circle*: a story of post-traumatic growth.

Trevor Kennison's life changed in an instant when he broke his back snowboarding in the Colorado backcountry. The film follows Trevor on his journey as he adapts to his new reality. Despite setbacks from secondary injuries, an unsupportive family, and the tiresome reality of living with spinal cord injury, Trevor finds himself a career as a professional skier and redefines disability on a global scale.
